Shouta is
prostrating

I totally

What

he do
this
time...?

... in exchange
for ya givin'
me 3 copies of
yer practices?

Didn't ya
make a contract
with me that
ya would get
my free
research...

バキバキ

Really...
I'm sorry.

ズッ

How are
ya going
to repay
the debt?

There are
only 3 days
left of
summer
break!

I'm
telling you!
I'll be on it
with all my
strength...

バキバキ

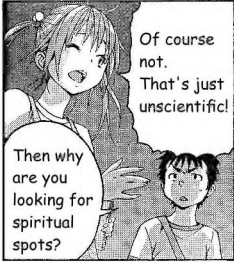

Beneath that tree is da place where a white woman will come out.

hey

Manatsu, you don't believe stuff like spirits, do you?

Of course not. That's just unscientific!

Then why are you looking for spiritual spots?

Shouta, take 2 or 3 pictures.

yeah, yeah

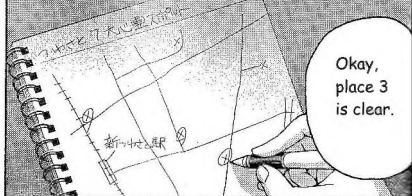

She naturally has a screw loose...

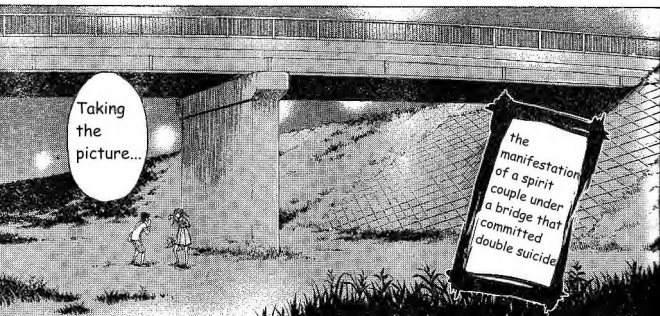

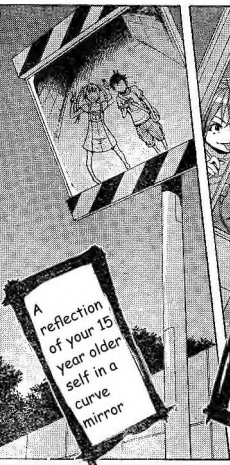

To prove that rumors are all lies is splendid research, right?

Let's go to the next!

Okay, place 3 is clear.

Taking the picture...

FLASH

baa!

Awright!
We got
them all!

yeah
yeah

Easy
for
you
to
say...

Now all that is
left is for Shouta
to draw a map on
this sheet to
explain where the
pictures were
taken.

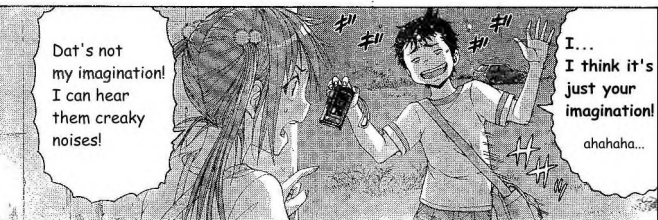

You've
got until
the day
after
tomorrow.

That
car...

hm?

What...
is going
on over
there?

Hey,
Shouta...

It's a
poltergeist
phenomenon!

po...

po...

That's
interesting!!

If it's a
real spirit
manifestation,
then that's
a great
discovery!!

eeh!?

That's right...
it's the physical
manifestation of
an evil spirit that
moves objects
and makes noises...

So getting
close is
dangerous...

Polter-
geist?

Wait!

I'm
borrowing
the
camera!

Wadda
ya
doin'!

Shht!
It'll be
bad if
we're
noticed!

Manatsu!
Wait up!!

Well...
the...
the spirits
of
course?

By
whom?

Now that
you mention
it, just now...
!

This is the
rumored place
where the
spirits of the
couple that
committed
double suicide
come out.

Do you
remember?

Shouta!
What do
ya think
that is!?

Th...that?
What
could it
be?

ahahaha...

Those
ain't
spirits!

Those are
people
making
sopping
noises...

...people
of flesh
and blood!!

...suddenly
my heart
starts
pounding...

When I'm
looking at
that, it's like...

I'm
going to
look one
more
time.

St...
stop it!

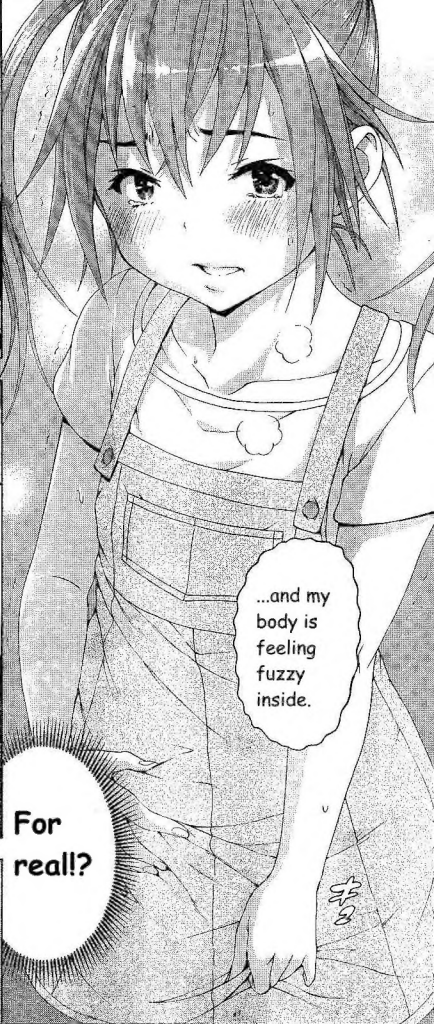

Lemme go!
I... just
wanna
confirm it!

Don't!
They are
busy
becoming
adults...

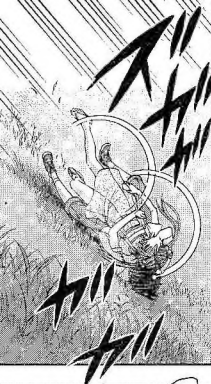

ah!

For
real!?

...and my
body is
feeling
fuzzy
inside.
